COSAMP encourages Structured Workplace Learning (SWL) as a valuable component of any VET program.

SWL involves on-the-job training in which students are required to master a designated set of skills and competencies related to VET programs. SWL complements the training undertaken at the school. It provides the context for:

- Enhancement of skills development
- Practical application of industry knowledge
- Increased employment opportunities

All hours listed are Nominal Hours, taken from the relevant Purchasing / Nominal Hours Guide.

# ABOUT US

COSAMP is a specialist Creative Industries RTO and online music technology resource and training provider supporting schools in the delivery of VET Delivered to Secondary School Students (VETDSSS) programs.

Established in 2009, COSAMP has continued to build a strong reputation across the sector as a reliable RTO and provider of contemporary music technology teaching resources and support services to secondary school music departments and music teachers across Australia.

Our approach, as we partner with schools in a VET Auspice Arrangement, is to always focus on support, providing teachers and coordinators with industry-leading assessments and resources, expert industry knowledge and ongoing flexibility to suit the unique needs of secondary schools.

Above all, we pride ourselves on our personalised approach with schools, offering easy-to-navigate platforms, streamlined and integrated systems for completing important RTO requirements and contextualised, engaging student materials that pave the pathway towards successful learner outcomes.

From 2023, COSAMP is excited to expand its offering with available qualifications in Screen and Media, Creative Industries and Dance, alongside existing Music and Visual Arts options.
